THE OREGON SUZUKI INSTITUTE

The Institute provides an opportunity for Suzuki students to receive lessons, individually and in groups, providing motivation and reinforcement for their normal study at home; for parents to see the Suzuki approach on a grand scale and to learn further skills to help their children; for teachers and advanced students to begin learning to teach according to the Suzuki philosophy; and for current Suzuki teachers to expand their skills.

LOCATION

The 2009 Institute will be held at George Fox University. Founded in 1891 by Quaker pioneers, it is a scenic campus with trees, historic buildings and state-of-the-art facilities, including a performing arts center complete with an auditorium that seats up to 1140. George Fox University is located in historic Newberg, Oregon, a one-hour drive southwest of the Portland International Airport and a short distance from the Pacific Ocean and the Cascade Mountains.

DAILY SCHEDULE

Most classes are scheduled between 8:15 am–3:45 pm. Some Chamber Music ensembles will meet from 4:00–4:45 pm. There is a program each evening, Sunday through Friday. Commuters, please expect a full day's schedule! **Special scheduling requests cannot be accommodated.** 100% attendance in the Teacher Workshop courses is required for "Participant" status.

THE SUZUKI CURRICULUM

Enrollment is open to violin, viola, cello, and piano students beyond the Twinkles who have studied Suzuki literature with a Suzuki-trained teacher. Students under the age of 14 must be accompanied by a supervising adult. Piano enrollment will be limited to the first 50 students.

The core curriculum consists of:

- Daily master class (shared individual lesson)
- Group class (repertoire performance class)
- “Third hour” class

MASTER CLASS

Each student is expected to perform a polished piece at the first session of the master class. (A polished piece must be performed fluently from memory with correct notes, fingering, dynamics, bowing, and style.)

Book 1 through 3: 4 students per class

Book 4 & Above: 3 students per class

Book 6 & Above: 2 per class. You may choose this option for a higher fee.

GROUP CLASS

Students will refine performance repertoire in a group setting. Students should be able to play from memory all repertoire previously studied, especially those pieces listed on the Performance Repertoire lists printed in this brochure. *Advanced Students, please notice the non-Suzuki piece on the performance repertoire list. Please purchase and prepare this piece prior to your arrival.*

THE THIRD HOUR

The third hour of the core curriculum will be the student's choice of Orchestra, Chorus, Dalcroze, Music History (which has a \$10 materials fee), or Folk Dance. Please indicate your sight-reading level on the Registration form to help us make the appropriate ensemble assignment. If you would like to participate in more than one of these offerings, you may register for any of them as enrichment courses for an additional fee.

ENRICHMENT COURSES

Each student may enroll in a maximum of two enrichment courses of their choice in addition to their third hour class. A complete list with descriptions is found on the next page.

PRE-TWINKLE VIOLIN

Not offered this year.

OBSERVERS

Observer status allows entrance to, but not participation in, all student classes, performances, parent lectures, playing classes, and videotape viewings. Attending parents are automatically included in their children's tuition and do not pay the additional observer fee. Observers may not attend Teacher Workshop Courses. Those teachers wishing to observe Teacher Workshop sessions must register as auditors.

ENRICHMENT CLASSES

Each student registered in Book 1 and above may enroll in a maximum of two enrichment courses in addition to the three hours of core curriculum.

ARTS AND CRAFTS: Cathy Hart will teach this ever-popular class in paper folding, mask and card making and other fun paper projects.

ADVANCED ARTS AND CRAFTS: In this class Charlie Graham will unveil the magic of pop-up cards using both precision cutting and fine origami folding techniques. Sharp cutting tools and cutting boards will be used which will require serious focus and listening skills. Because of this complexity, this class is open only to *students 12 years or older as of June 21, 2009*, and class size will be limited.

DALCROZE: Dalcroze-Eurhythmics is a method of teaching musical concepts through body movement, ear training, and improvisation. This fun class will be taught by Jeremy Dittus. Classes will be organized by ages (5–7 and 8–10). Minimum age: 5 years old. Students ages 5 and 6 must be accompanied by a responsible adult.

FANTASTIC FIDDLE FORM: Violin teacher trainer Ellie LeRoux presents this course for older students, parents and teachers. Its purpose is to bring greater awareness of the essential role of a balanced, flexible form to violin and viola playing. We will consider the entire body all the way down to its finest motor skills; the role of the core, force and counterforce; relaxation and weight as well as balanced movement through space. Bring an instrument to class, if possible. Parents without instruments will be able to share one.

FOLK DANCE: Come join in some fun and experience dances from all over the world! The class will be learning traditional individual, partner, and group dances from Europe, Africa, North and South America, and the Middle East. Grouped according to age, each dance will guarantee success for all! Moving enhances musical learning and builds community—so let's dance!

HOW TO PLAY IN A BAND: This course is for those string players who want to begin to learn how to play “off of the page.” We will begin to learn improvisation with listening games, and then with the pentatonic and blues scales. Then we will learn to apply these scales to chord changes, and improvise in folk, rock, and jazz styles. Taught by Sarah Jo Zaharako and Alex Kelly of the 7th Avenue String Quartet. For teenagers performing at Book 4 and above.

INTRODUCTION TO CHAMBER MUSIC: An audition is required for correct group assignment. Please submit a recording of a polished performance in one of the following formats: CD, DVD, or VHS (no High 8). The audition recording and registration form must be postmarked by May 1st. All students who enroll in Chamber Music classes **MUST** attend the 1st rehearsal on Sunday, June 21st! If you will not be available on that Sunday afternoon, please do not enroll. Playing level requirements: your polished piece must be at least at the following level:

Violin — Vivaldi, Concerto in a minor
Cello — Webster, Scherzo

Viola — Telemann, Solo Concerto
Piano — Beethoven Sonata, Op. 49, # 2

- Please submit a list of chamber works already studied. Enclose a list with your mailed registration form or email it to osikathie@aol.com.

Concert: Some groups will be selected to perform Friday afternoon at the nearby retirement center, but the main Chamber Music Concert will be *Thursday* evening.

MARIMBA: Passport to Rhythm! Join in a World Music ensemble designed especially for middle grade and high school students and taught by Laura Frizzell. Play your way through Ghana, Zimbabwe, Mexico and more with the high-energy sounds of marimbas, xylophones, contra-bass bars, and drums. We'll learn our repertoire by note, rote, and recorded examples. Groups will be formed with consideration to age (10-13 and 14-18) and will have a maximum of 15 per class.

MUSIC HISTORY: Sandra Payton will teach this class exploring music from different periods between the years 1000 and 2000. What kind of tunes might Marco Polo have hummed as he traveled to China? What kind of melodies might Christopher Columbus have heard as he prepared to sail? What sort of music might George Washington have danced to? Each student in the class will have a CD set with a booklet to take home from the class. For ages 10 through Adult. There is a \$10 materials fee for this class.

ORCHESTRA: This course gives string students the opportunity to perform in an ensemble and develop sight-reading skills. Different sections are offered to accommodate various levels of experience, from students who have just begun sight-reading through our most advanced students. Please indicate playing and sight-reading levels on the Registration Form to facilitate appropriate assignment.

ORIGAMI: Charlie Graham will present several projects in the ancient Japanese art of paper folding. Please indicate your prior experience level on the registration form.

SINGING: Ready, Set, Sing!—a sampler of Rounds, Singing Games and Songs for all ages taught by Laura Frizzell. Come join the fun as we mix a bit of the traditional with the new from all corners of the world around us.

RECREATION: There are tennis courts on campus and a public swimming pool nearby. There are play areas near the dormitories, as well. Please bring your own swimsuits and pool towels, tennis equipment and soccer balls. Because University policy prohibits their use on campus, please do not bring roller skates/blades, skateboards, bicycles, or scooters.

EVENING ACTIVITIES: The evening schedule includes a special performance each night at 7:00 unless otherwise noted:

- Sunday: Play-through for all, following the welcoming meeting

ELLIE LEROUX

The Suzuki Short-term Teacher Workshop Courses approved by the Suzuki Association of the Americas (SAA) follow the sequence of study units developed by its Teacher Education Committee. Numbered units correspond to book levels in the respective repertoire of each instrument. The Short Term Teacher Workshop Courses are intensive courses of study, which require full-day attendance. Do not attempt to maintain a schedule outside the Institute.

COURSE ORDER:

Courses must be taken in order through Book 2.

(continued)

HOW TO APPLY AS AN SAA PARTICIPANT

(CONTINUED)

AUDITION REQUIREMENT:

To qualify as a participant in training courses rather than auditor, applicants must submit a videotape audition of specified repertoire to the SAA, preferably prior to enrollment. Tapes should be submitted at least 8 weeks prior to the course start date, with the required fees and a completed application form. If submitted later than 8 weeks before the course start date, audition results determining participant eligibility may not be available prior to the course, and will require late audition fees. **For courses occurring during summer 2009, applicants submitting tapes later than March 31, 2009 may not receive audition results prior to the course, even if meeting the above deadlines.** An applicant may enroll late as “tape pending,” but will incur late audition fees, and audition results determining eligibility for participant credit will probably not be available until after the course. If auditions from “tape pending” applicants are not accepted, their course work will not be eligible retroactively for SAA credit registration as a participant, only as an auditor—even if course work was completed. For further information, please see the SAA website at www.suzukiassociation.org, in the teacher section under training, the downloadable video audition application form (with instructions); or call the SAA toll free (888) 378-9854 for this form.

REQUIRED COURSE PREPARATION:

All workshop participants are asked to prepare the repertoire to be studied to the point of fluent performance. Memorization is not required but is recommended. Additionally, participants should be conversant with the ideas presented in Dr. Suzuki's *Nurtured by Love* and Edmund Sprunger's *Helping Parents Practice*. All participants will be performing in class and are expected to provide their own instruments (with the obvious exception for pianists). It is recommended that participants bring a tape recorder, music stand, and a notebook to all sessions. 100% attendance is required for registering the course. All courses offered this year require 15 hours of class time and 8 hours of observation.

FINANCIAL AID AND SCHOLARSHIPS

Financial Aid and Scholarship applications must be postmarked on or before April 15, 2009. This assistance is available for students who truly could not attend without it. Late applications, or those without teacher recommendations, will be eliminated.

STUDENT SCHOLARSHIPS

Thanks to families buying T-shirts at past Institutes and the generous donations of faculty and friends, scholarships are available, based on need. To apply, students must have studied for at least one year.

GENERAL INFORMATION

WHAT TO BRING: Be sure to bring music books, lesson notebook, recordings, and audio equipment. Those string students staying in the dorm should consider bringing a music stand for practicing. Cellists need to bring rock-stops or other end-pin holders and their own bench if not using a full-sized chair.

HOUSING: Rooms are available for the Student Institute and Teacher Workshop from Sunday, June 21, through Friday night, June 26, 2009. Check-out time is noon, Saturday, June 27. These housing fees cannot be pro-rated for late arrivals or early departures. You may bring a sleeping bag (an air mattress or pad is recommended) for a small charge if all twin beds in a room have already been reserved. Adults may request a single room in a dorm. If a particular roommate is requested, please indicate this on your registration form and send both registrations together. Be sure to indicate any special needs on the registration form.

Those attending the Advanced Chamber Music Program will need to reserve their room for an extra night, June 20th.

LINEN FEE: Linens will be provided for an additional \$10 per person. This linen package includes 1 set of twin sheets, a pillow and case, 1 blanket, 1 towel, 1 washcloth. You may bring your own linens if you prefer.

KITCHENS HAVE STOVES AND REFRIGERATORS ONLY. THERE ARE NO COOKING UTENSILS OR DISHES IN ANY KITCHEN.

PENNINGTON AND EDWARDS HALLS: Traditional dorm rooms with two single beds and space for 1–2 sleeping bags. Bathrooms are communal; there are no cooking facilities in the rooms. Each dorm has laundry facilities, and both are adjacent to the dining hall. There is 1 small kitchen on each floor.

CANYON SUITES: Beebee and Willcuts Halls contain ‘suites’ consisting of one bathroom and two bedrooms, with two sets of bunk beds and space for sleeping bags. (NOTE: access to the bathroom is through the center bedroom.) There is a kitchen, laundry room, study room and lounge on each floor. There are four suites per floor. **Minimum of 4 people per suite.**

LE SHANA HALL: A new apartment complex about 2 blocks from central campus. Each unit has 3 bedrooms and a common area with a small kitchen with stove, refrigerator, and small table. No eating or cooking utensils provided. Each bedroom has 2 twin beds. The lavatory and shower in each apartment are separated. The building has an elevator. If you do not use all 3 bedrooms in the apartment, other families will be assigned to that apartment. If you prefer to share an apartment with a specific family (families), please indicate this on the registration form as a special request. The keys are only for the outside door of the apartment: inner bedrooms do not lock. Le Shana Hall is designed as a green building and therefore has low-flow water fixtures with lower water pressure and temperatures at or below 115 degrees. Le Shana Hall qualified for the Leadership in Energy and Environmental Design certification.

RV PARKING: RV's are not allowed overnight on campus. However, there is an RV park approximately 7 miles from campus at the Champoeg State Heritage Area. For more information, contact the Oregon State Parks Department (egov.Oregon.gov/ORPD).

MEALS: The meal plan, offered by caterer Bon Appétit, covers sixteen meals from dinner Sunday, June 21, through dinner Friday, June 26. Meals are served cafeteria-style in the dining hall. Meal plan tickets cannot be sold on a pro-rated basis; however, individual meals can be purchased at the door. Only people with meal plans or tickets may eat in the dining hall. The Bruin Den, which is adjacent to the dining hall, has ala carte items available between the hours of 8:00 AM and 2:00 PM. There are also many eating establishments within a short walking distance of campus.
